

Photo Album Notes

Welcome: On the Photo Album pages of this web site, members and friends of Eiche Turners invite you to enjoy our photos of Turner happenings. Periodically, these albums are edited, augmented, supplemented and/or replaced by new and different collections, so come back often and enjoy.

Navigating the Photo Albums: Each album consists of a number of "thumbnail" images displaying sequentially. To view any album full size, click on any image in that album as it displays. Then moving your cursor across the picture will cause control icons to appear at the bottom of the screen allowing you to change the display rate, stop the display on an image for closer inspection, and move backwards and forwards through the photos in that album.

We are seeking more albums: Eiche Turners is always seeking new and different images to share. If you are in possession of individual photos or collections of images of interest to Turners, we would appreciate the opportunity to share them. E-mail eicheturners2500@sbcglobal.net or phone 708-429-2206 to share your images. Whether you have digital files, prints, negatives, or slides, we can copy them for use on this site. Once we have secured a digital copy, your media will be returned to you.

Copies: We ask that you *do not download and make copies* of these pictures! All images are protected by copyright from the time they are created, and display here does not abrogate this copy right. (In actuality, the copyright holder of *most* of these images – that would be me – would be tickled rosy pink for you to have a copy of any of these pictures, but is zealous that the highest image quality standards are maintained. That precludes copying pictures from this website: these digital files have been optimized for the internet and do not make good prints; a print optimized file needs to be created from the original image.) If you see a photo that you would like a print of, e-mail eicheturners2500@sbcglobal.net, or phone 708-429-2206, (the images unique file identifier is displayed above the image) and we'll see if we can't get it for you.

Please enjoy our pictures.
